

New Product & Technology Spotlight

AWRF will once again SPOTLIGHT New Products and Technology; this time at the Fall 2017 P.I.E. in Minneapolis

What is the New Product & Technology Spotlight?

The Spotlight is an opportunity to be front and center to demonstrate and explain your New Product and/or Technology in an enclosed area during the P.I.E. in New Orleans. The enclosed area, within the exhibit hall, will have seating for approximately 25, a large presentation screen, a connection for your laptop and a microphone.

How long are the presentations?

Each presentation is 30 minutes, with additional 10 minutes allowed for setup between presentations. The time slots begin at 9:00am and close at 3:00pm on Monday, October 23rd, 2017.

Who can participate?

The Spotlight is available to any AWRF Member Company, even if you did not register as an exhibitor for the P.I.E. Only one (1) time slot per company and limited to the nine time slots available.

What is the cost?

Each time slot is \$500. Credit cards will not be charged until a time slot is determined to be available

Guidelines:

Presentation times are based on the order of receipt of registration.

A limited quantity of 8 slots are available.

A brief description of the product or innovation is required with your registration. The merit of the new product or technology is subject to approval by the AWRF Board of Directors' appointed review committee prior to time slot assignment.
