June 14, 2017

Dear AWRf member

Your Board of Directors has approved the continuation of the new initiative established for the last P.I.E. in New Orleans.

Once again, for the **Regular** members, you may bring additional employees for 1 day (Monday) to attend the P.I.E. at a rate of \$150.00 per person. This rate is for the exhibition only, from 7:30am to 5:00pm, and includes breakfast and lunch. This does **not** change the requirement that all people working the P.I.E. booths must pay full price.

This is an effort to increase the Regular membership involvement at the exhibition and to give more value for the members with booths.

Looking forward to seeing you in Minneapolis!

Chief Executive
